These images of the player list you see every week come from a database we manage, with data automatically collected from Sc2pulse in real time. However, we need help from all iMKS members to enrich the database with additional information. If you scan or click this QR code, it will take you to an app where we ask for details such as your Sc2 account, WhatsApp, Discord, etc.

This information helps us keep all players properly registered with complete data. That way, it's easier for us to register players in competitions, and you'll be helping reduce smurfing, infiltrated player accounts, and other issues — since we're developing a "faker detection" system. You can also include your secondary accounts, whether they're on the team or not.

Thanks to everyone, and especially to Culonegro for developing this system we've been working on for months. The next step will be having an AI replace Checo's casting xD.

Another week, the **Little Mac StarCraft 2** League continues. We haven't been tracking our insane players because the tournament is running quite late with the broadcasts, which has caused some confusion and even a few forfeits by walkover, such as **iMKS Nox**.

However, we have two of our players competing in both tournaments: **iMKS INexorable**, together with **iMKS Havertz**, in the Master division; and the same **iMKS Havertz**, along with **iMKS Boreau**, in the lower division.

We wish the best of luck to our brave players, and we'll keep you updated from here. ^^

Spring Qualifier 2026 Sub3500!

Eligible Players for Registration:

- More than 400 games played with your main race.
- At least 20 games played in the last 30 days (this will only be checked once registrations close).
- Must not exceed 3500 MMR at any point during the last 90 days.
- Off-race play is allowed, but no race can exceed 3500 MMR.
- Must be a member of one of the following five teams: iMKS, iMKSB, iMKSC, iMKSD, iMKSE.
- Each loss grants one point, and each win grants an additional point.

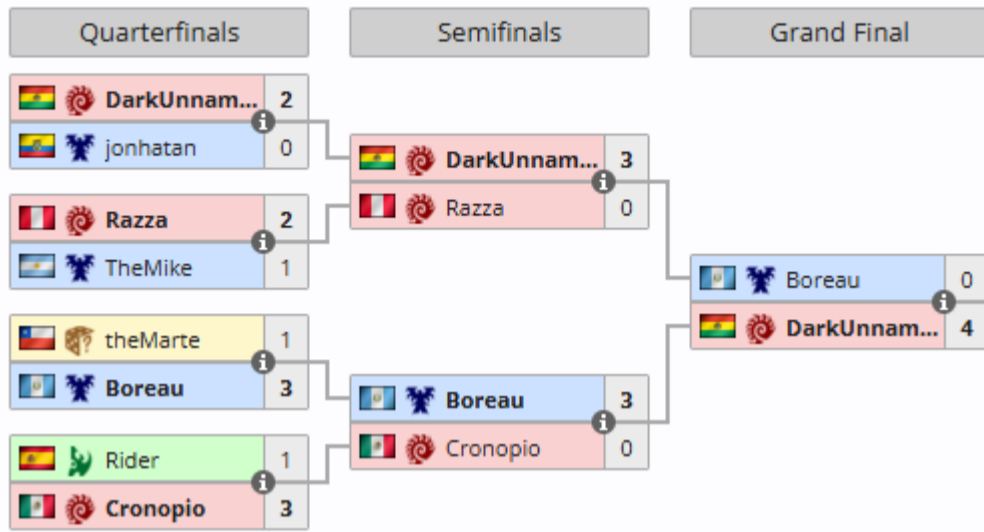

All iMKS competitions, except for the iMKS Cup, will award points toward the iMKS Champions 2026 "Sub3500", including regular tournaments for higher-level players (if you're around 3500 MMR).

The format is the same as always: a large double-elimination bracket with the loser bracket below — time for some epic matches!

Matches will be played as one Bo3 per week, with a flexible schedule decided by the players (from the quarterfinals onward, matches will be broadcast live). Don't forget to upload your replays on Discord. **GL!!!**

-[GSC] Global Starcraft Cup (\$300): Although this logo is provisional, the name has already been decided by the international staff. Six internally qualified players from six different teams will enter this competition.

In the case of iMKS, however, the six qualifiers will always come from the iMKS Champions.

The prizes for regular qualifiers and **iMKS Champions** will remain the same annually as before.
For the Sub3500 qualifiers, we are studying a training system. For the Sub3500 Champions, we are looking at commanders.
If anyone wants to contribute or make suggestions, they are welcome to do so.
