These images of the player list you see every week come from a database we manage, with data automatically collected from Sc2pulse in real time. However, we need help from all iMKS members to enrich the database with additional information. If you scan or click this QR code, it will take you to an app where we ask for details such as your Sc2 account, WhatsApp, Discord, etc.

This information helps us keep all players properly registered with complete data. That way, it's easier for us to register players in competitions, and you'll be helping reduce smurfing, infiltrated player accounts, and other issues — since we're developing a "faker detection" system. You can also include your secondary accounts, whether they're on the team or not.

Thanks to everyone, and especially to Culonegro for developing this system we've been working on for months. The next step will be having an AI replace Checo's casting xD.

Match List

Last week we made the mistake of following the challenger of this competition, which have since been abandoned. In the second group stage of the Masters division, **Inexorable** is the last insane remaining player, competing in Group C, as Havertz was eliminated in the first stage.

Meanwhile, **Boreau** and **Havertz** still have a chance in Division B of this competition; if they advance from their groups, they will reach the quarterfinals.

UPCOMING MATCHES AND TOURNAMENTS
