These images of the player list you see every week come from a database we manage, with data automatically collected from Sc2pulse in real time. However, we need help from all iMKS members to enrich the database with additional information. If you scan or click this QR code, it will take you to an app where we ask for details such as your Sc2 account, WhatsApp, Discord, etc.

This information helps us keep all players properly registered with complete data. That way, it's easier for us to register players in competitions, and you'll be helping reduce smurfing, infiltrated player accounts, and other issues — since we're developing a "faker detection" system. You can also include your secondary accounts, whether they're on the team or not.

Thanks to everyone, and especially to Culonegro for developing this system we've been working on for months. The next step will be having an AI replace Checo's casting xD.

[iMKS] Alex was unable to attend the semifinals, therefore, we allowed [iMKS] Checo to advance. This rule will be applied from now on: any walkover from the quarterfinals onward will be allowed to advance to the last player eliminated by the absent player. This hasn't happened before, but we cannot allow incomplete matches in the later stages.

After [iMKS] Yanakuntur and [iMKS] Kakaroto defeated [iMKS] Checo, the final was very interesting, where Yanakuntur, known as Jonathan, was able to win kind of easily.

While [iMKS] Yanakuntur and [iMKS] Kakaroto have direct entry to the iMKS Champions 2026 (Sub3500), the remaining players have the advantage of having already accumulated points.

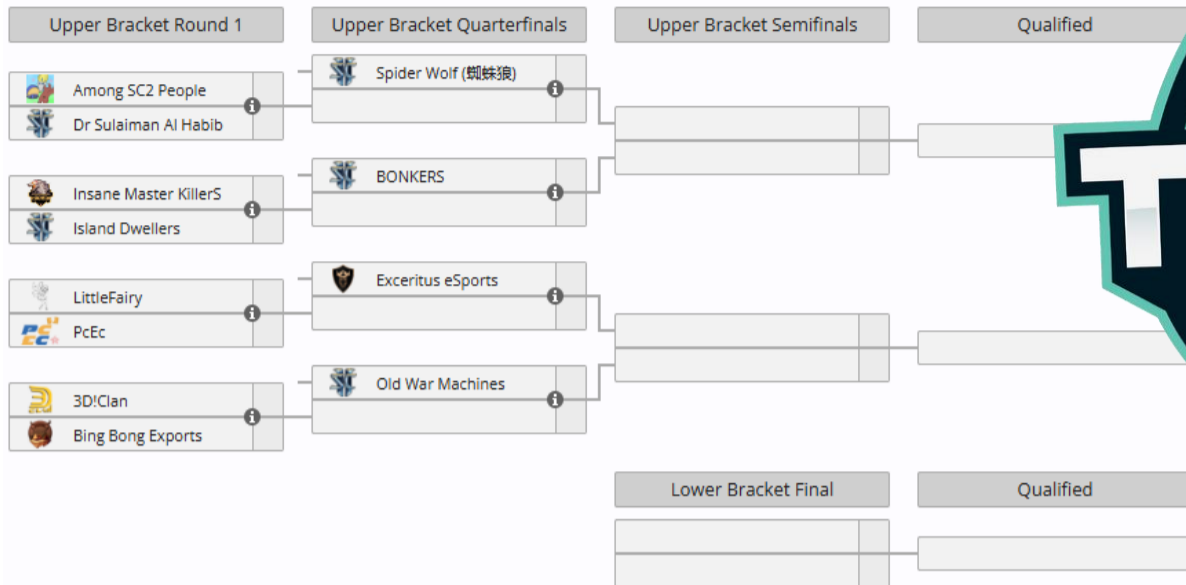

Any future players who register will not have earned points in the spring qualifier, but they will still have five more tournaments to earn points, just like everyone else. We anticipate increased participation in future editions, but we don't know to what extent.

In any case, we remain committed to continuing to recruit players and provide this solid tournament structure.

Good luck next time!

This weekend, the insane one's face death in the **Warditv Team League Season 10**. This competition, which was almost is back with many participating teams, some original teams and others created solely for the competition (the rules allow this).

Due to the high number of teams, iMKS enters the qualifier with 3 available spots. According to **Wardi** himself: **If you do not qualify and there is enough interest we will try and set up a second league with non-qualified teams.**

The first CW will be on Saturday at 1 PM Peru time, totally confirmed.

Wish our brave one's luck! ^^
